

Feedback board #2 We asked: can you find what you're looking for in the library?

What's easy to find?

Items which received no responses:

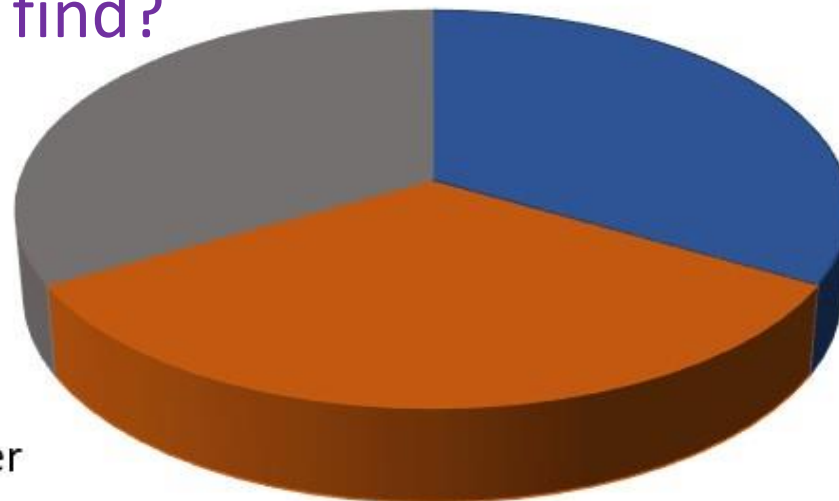

- Series Volumes
- Books in the Main Library
- Noticeboards
- Left Items
- MFD (Printer/Scanner)
- UMD Machines (University Managed Desktops)
- Books on Writing, Research Skills, and Viva Prep

- Self-Issue Machine
- Blue Book Collection
- Staff
- New Books
- iDiscover Machine
- Blankets and Heaters

What's harder to find?

- Journals
- Pens and Scrap Paper
- Spare Computer Equipment

It was difficult to spot a pattern in responses to this feedback board, but we thought most of our resources could probably use a bit more signposting.

We've created a new library floorplan which shows where most of our resources are. Versions of this are viewable near the library entrance and on our website, and an interactive version is also available here:
