

Need to print something? This MFD printer is called **Chem_FindMe**

Printing from a laptop or desktop computer?

Install **DS-Print** and pay using your Local or Common Balance

<https://help.uis.cam.ac.uk/service/printing/desktop>

Printing from a tablet or smartphone?

Install **Mobility Print** and use while connected to a collegiate University network (eg. eduroam or UniOfCam Wi-Fi), pay using your Common Balance

<https://help.uis.cam.ac.uk/service/printing/mobilityprint>

Are you an Undergraduate and need some print credit?

You are likely to be using your **Common Balance** and need to top up using your credit or debit card through the **Managed Print Portal**. See UIS help for further information

<https://help.uis.cam.ac.uk/service/printing>

Are you a Postgraduate or Researcher and need some print credit?

You are likely to be using a **Local Balance**; Library staff can add credit to your Local Balance and charge it to a grant / ledger code. Please call into the Library Office or email library@ch.cam.ac.uk. You can also credit your Common Balance for personal printing or copying, see information above.

Further information can be found on the Chemistry Library's website
